

City of Summerville
Job Announcement
Utility Line Locator

JOB SUMMARY

This position is responsible for locating underground utilities in support of a variety of department operations.

MAJOR DUTIES

- Locates underground utilities, including gas, water and sewer lines.
- Operates and maintains assigned underground locating equipment.
- Uses shovels, probes and post-hole diggers to locate utilities.
- Flags or paints utility locations.
- Maintains inventory of tools and supplies, including batteries, flags and paint.
- Maintains daily and monthly records of locates performed.
- Requires extensive interaction with customers, contractors, and utility owners.
- Turns water and gas service on and off.
- Performs related duties.

PHYSICAL DEMANDS/ WORK ENVIRONMENT

- The work is typically performed while intermittently standing, walking, bending, crouching or stooping. The employee frequently lifts light and occasionally heavy objects, uses tools or equipment requiring a high degree of dexterity, distinguishes between shades of color, and utilizes the sense of smell.
- The work is typically performed in an office and outdoors, occasionally in cold or inclement weather. The employee may be exposed to dust, dirt, grease, and machinery with moving parts. Work requires the use of protective devices such as masks, goggles, gloves, etc.
- Must be available to work flexible schedules including holidays, weekends, and overtime as required.
- Must wear and use safety equipment as required by the City of Summerville and federal, state, and local regulations.

MINIMUM QUALIFICATIONS

- High School Diploma or equivalent.
- Sufficient experience to understand the basic principles relevant to the major duties of the position usually associated with the completion of an apprenticeship/internship or having had a similar position for one to two years.
- Possession of or ability to readily obtain a valid driver's license issued by the State of Georgia for the type of vehicle or equipment operated.
